TE's Finance organization is looking for a candidate (f/m) to join our

Finance Development Program

Start: September 2021

What can you expect?

- You will assume a full-time position and develop hands-on financial skills while collaborating with experienced and international teams across our Business Units and Corporate.
- During the two-year program, you will go through four rotations within Germany and other countries within the EMEA region, offering you a fast track into the Finance world at TE Connectivity.
- As part of our commitment to develop young and talented employees, you will be offered formal and informal trainings to enhance your business and soft skills. A senior leader will support you in steering your career path as your mentor.
- You will be employed with an unlimited contract. Upon successful completion of the program, you will transition into a key finance position in one of our locations in Europe.

Whom are we looking for?

- You are a recent graduate with a university degree in finance, accounting, business administration, industrial engineering or related disciplines.
- You are fluent in English written & verbal (additional languages are an advantage).
- You possess sound financial knowledge & analytical skills as well as the agility to learn the tools necessary to perform your tasks.
- You have the passion and mindset to work in an international, industrial oriented environment
- You are flexible & mobile to gain multiple experiences and set the foundation for your professional career.
- You are motivated and eager to take the initiative working independently as well as in a team.
- You are familiar with MS Office, other experience with analytical tools and ERP systems is an advantage.
- You demonstrate high appreciation of our core values: Teamwork, Accountability, Innovation and Integrity.
